

签证 108 问

说明:

- 1、该答案经本人及几位生活在美国的朋友反复修改，既要考虑答案的合理性，又要考虑语言的口语体，可谓呕心沥血，易稿无数，希望能对诸位有所帮助。
- 2、从网上下的 108 问顺序比较杂乱，本人删减了个别重复的和意思不明的问题，新添了一些问题，并做了大致归类。分类有不当之处，见谅！可能问题已经超出 108 个，但考虑到大家已经习惯这个称谓，故未改名称。
- 3、签证时要尽量简洁明了地回答问题，但又忌讳沉默、无话可说的情景，所以本人的宗旨是尽量把答案写长，但要明确哪些该说，哪些可说可不说。文中凡是蓝色字体的句子，均属于“打破沉默句”。:)
- 4、提问频率最高的还是 why this program, why this university, why choose America, 以及 financial support, career plan 等问题。所以应该把重点放在对这些问题的准备上。
- 5、刷黄色的部分为新添加的问题。
- 6、镇定和微笑是最重要的。

7) How long will you study in USA?

It will take around two years.

Which course do you think is the most difficult one?

I think Accounting Information System is the most difficult one, according to those who have taken it. But I will work hard on it, no matter how difficult it is.

横线部分随便填个课名就行了，因为这个原因可以以不变应万变。举一反三，问题也可能被换成 the most interest one 之类的。

9) Who is your advisor?

My advisor is Dr. ***. She's the chair of the Accounting department. (这里稍微介绍一下是应该的，不能光说个名字就完了。)

Part 2 Why this program (换专业的同学更应该好好准备这个问题)

1) Why do you like your major?

2) Why do you change your major?

Well, there are several reasons. (回答时条理一定要清晰，一二三四说清楚。)

Firstly, it has something to do with my current job. I am a ** project manager, I'm responsible for developing budgets and performing cost benefit analysis on ** projects. In my work, I found it's really **amazing** (这个单词只有重读才能有效果) to understand the big financial picture of a company by simply knowing a few numbers.

Secondly, it's because of my husband (你可以换成别人嘛，亲戚、朋友……) He's a certified public valuer, and he often says that: "Accounting is the language of the business world". After he found out my interest in Accounting, he took me to seminars and encouraged me to read some books. And then, my interest in accounting grows stronger.

That's why I want to pursue a master degree in Accounting and become a professional.

(其实一般不用回答这么长，签证官也等不了那么久。:))

4) Why do you want to pursue a master's degree?

5) Why do you think it is time for you to pursue master degree now? (工作后再上学的人更应该准备这个问题)

After eight year's work, I feel that my life is filled with routines: same work, same subway, and same faces. I want new things to refresh myself. Besides, a Master Degree of America will make me more competitive. 横线部分的答案很充分，最好接着谈自己的职业规划，毕业后想从事什么工作等等。

6) What's the difference between your major now and the major in USA?

My bachelor major was **. It focuses on **. **I took courses like *, *, and *, etc. These courses are helpful for my study in the future because **.**

The major in USA is accounting. It deals with numbers and calculations.

7) How do you understand accounting?

(任何一个专业都有可能问到这个问题。如果你对所学专业研究的并不深，没关系，只要在

维基百科 www.wikipedia.com 中搜索一下专业名称, 立刻会有满满一大篇的介绍, 学科分支、流派、发展、研究方向、相关书籍等一清二楚, 稍微整理一下答案就出来了。)

Briefly, it's a science of dealing with numbers. The purpose of accounting is to provide the financial information for economic decision making.

Accountancy is a branch of mathematical science, and it's widely used in business. Today accounting is called "the language of business". It has two classifications: management accounting and financial accounting. The former is used to provide financial information to interior persons like employees, managers, and owner-managers. The latter is used to provide financial information to external parties, such as shareholders, and creditors.

Accounting, the easy way is a popular book for beginners. It has been published the 4th edition. I'm interested in the case study part of the book. I really learned a lot from this book.

The public accountant, usually an employee of a CPA firm, is employed as an independent contractor by a business to perform an auditing function: to review the accounting system used by the business, check the correctness of financial statements, and give an opinion.

The private accountant, usually employed by a business, records business activities and prepares periodic financial statements.

8) What is your major? In what aspect of your major will you study?

My major is accounting. I will focus on Financial Accounting.

Why?

The main purpose of financial accounting is to prepare financial reports regarding the performance of a firm for external persons, such as investors, creditors, and tax authorities. I'm interested in it.

(简单介绍一下专业方向后再以横线上的答案结尾就行了, interest 简直是个万能理由。)

1) How do you know this Univ.?

A friend of mine graduated from there 2 years ago. She strongly recommended ** University to me. She told me that it's a big public university with excellent resources and diversified student groups. It's full of great opportunities for students to learn and to grow. (这些溢美之词可以适用于任何学校。) Besides, it's located in a quiet small town. People there are really nice. (如果你的学校在大城市, 你就说那里交通便利、设施先进之类的。)

So what does your friend do now? (这就是有朋友在美国的弊端了。本来不想这么回答, 可是我在申请学校的时候提过朋友推荐, 担心签证官会看到这些信息, 只好实话实说。)

She's nursing her baby in California, because her husband works in the Silicon Valley. She follows her husband.

(硅谷当然是华人多了, 妇从夫也是很充分的理由, 避免签证官认为你会像你的朋友一样留北京。不过我说的这些都是事实, 千万别撒谎, 后果太严重。)

2) Why do you choose this Univ.?

A friend of mine graduated from there 2 years ago. She strongly recommended it to me. So I checked its website and found their master of accounting program fits me well. It's designed for students interested in accounting, auditing and taxation, even if one doesn't have any related bachelor degree, like me. **Moreover, it's a big public university with excellent resources and diversified student groups. By the way, Biang maybe the most complex word in Chinese, you can only find it in the Kangxi Dictionary.

It's an ancient dictionary, edited in the Qing Dynasty, about 300 years ago. (不好意思, 您被绕晕没? 这可能是我准备的最无厘头的回答了。)

(事实上, 在吃这个话题上本人下了很多功夫, 锁定 **noodles** 这个目标不断延展。比如:
你最喜欢的食物是什么? 面条……;
你最喜欢中国的什么? 面条……;
你老公的优点是什么? 他对我很好, 经常给我做面条……;

15) Who do you think is the best president of the US?

Franklin Delano Roosevelt, He's great. He led America through the Great Depression.

(直到现在, 美国人也是这么认为呢)

(这确实是个很棒的回答, 呵呵。)
